WHO CAN ENTER?

Local residents of the Walla Walla Valley. There will be THREE winning entries selected for the portrait experience- Brooke Bennett will photograph a child/children, Mark VanDonge a family with children, and Marty Huie a senior adult couple. ONE winner will also be chosen by Marty Huie to receive a photo restoration consultation and completed restoration project.

WHEN IS THIS HAPPENING?

Right now! Entries are due **October 4 at midnight**. Winners will be announced October 6 on Facebook. Entrants must be available for consultation and a photography session between October 6 and October 23. A finished, framed museum canvas from each session as well as the finished restoration project will be unveiled at the Walla Walla Portrait Design Grand Opening on November 16.

WHY ARE WE DOING THIS?

We are excited to bring a unique experience in portrait photography to the Walla Walla Valley and we want to show you what it is all about! We will be documenting and sharing behind the scenes photographs and video throughout the whole process (design consultation, portrait session, premiere at the studio, canvas production, delivery and installation in home). We love that THREE deserving nominees will receive an incredible piece of personal artwork to enjoy in their home and you will get to watch it all unfold.

HOW DO YOU ENTER?

You can enter yourself or you can nominate someone else. Each photographer has a slightly different set of criteria and questions on their entry form and will be selecting a winner from their pool of entries. You may enter or nominate more than once, but keep in mind that this is not a random drawing: answer the questions as best and as personally as you can! Winners will be chosen based on the merits of their entry, not the number of times they enter or are nominated.
